NARRATIVE:

Aubrey Franklin is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include possession of a firearm by felon, assault, robbery with injury to another and carrying a concealed stolen firearm. He has served multiple state prison terms, the longest being a 5 year term for robbery with injury to another. Franklin was released from state prison to the supervision of the Los Angeles County Probation Department on March 16, 2016. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2016 after he absconded from post release community supervision (PRCS). Franklin qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a firearm by felon is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
